

INSTRUCTIONS

Cut out the player jellyfish above and fold along the dotted line
Using sellotape, fix with a hinged paperclip as the picture indicates.
Set the player jellyfish in the BLOOM at the bottom of the board
on the corresponding colour spaces.

Each player throws the dice and moves forward on their coloured
tentacle path, staying on that path for the entire journey. The winner
is the first player to reach the HOOD of the jelly fish

a playing space

lunchtime, Yum! PLANKTON, move 2 spaces forward.

Ahh No! you've been caught and eaten by a SEA TURTLE and became their lunch!
Bad Luck you are out of the game.

Caught in a SMACK, a gathering of jellyfish by the wind or tides, miss a turn while you wait
for the wind to change.
